

We cordially invite you to participate as a sponsor for the Run for Learning 5K | Fun Run. Run for Learning's quest is to enhance the educational experience for students at licensed, early-education center.

The Run for Learning 5K is an annual 5K race that began in 2014 as a way to raise awareness of and funds for Grayslake, IL preschools. Since the first race, the focus of the Run for Learning 5K has expanded to become a race that raises funds for licensed, early-education centers (providing preschool and/or kindergarten programs). Proceeds from this annual event will go to teachers at licensed early education centers in Grayslake, IL and the surrounding-area communities.
